TOWN OF MOULTONBORO

Town Warrant

To the inhabitants of the Town of Moultonboro, in the County of Carroll, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Moultonboro Central School Auditorium in said Moultonboro on Tuesday, the 10th day of March 1959, at ten of the clock in the forenoon to act upon the following subjects:

1. To choose by ballot and major vote a Treasurer, clerk, Tax Collector, one or more not exceeding two Highway Agents, three Auditors, one Selectman for three years, one Trustee of the Trust Funds for three years, and such other officers and agents as the voters may deem necessary.

2. To raise and appropriate such sums of money as may be necessary to repair Highways and Bridges in said Town.

3. To see if the Town will vote to raise and appropriate the sum of $804.75 for Town Road Aid.

4. To see if the Town will vote to appropriate a sum not exceeding $24,000.00 for the purpose of making improvement to Class V (Town Road Aid) roads within the Town, such sums to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 241, New Hampshire Revised Statutes Annotated, 1955, as amended by Laws of 1957, Chapter 273:3, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Moultonboro. Said sum of $24,000.00 to be returned to the Town on a yearly basis from State Town Road Aid Funds over a period of the next five years.

5. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes for the current year maintenance and operation expenses, and that the Selectmen be authorized to issue notes thereof, which notes are to be paid out of tax receipts of the current year as provided by the provisions of Acts of 1953, Chapter 258, and any amendments thereof.

6. To see if the Town will vote to allow a discount on taxes paid in full up to fifteen days after the issue of the tax bills by the collector.

7. To see what sums of money the Town will vote to raise and appropriate for the Laconia and Huggins Hospitals.

8. To see if the Town will vote to raise and appropriate the sum of $400.00 for concerts to be provided by the Center Harbor Band.

9. To see if the Town will vote to raise and appropriate the sum of $475.76 which is 1/100 of 1% of the assessed valuation of the Town to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the town, in cooperation with other towns in the Lakes Region.

10. To see if the Town will vote to accept the Kanasatka Road, so-called, from the Bean Road to the culvert at Senter Brook on said Kanasatka Road, a distance of approximately four-tenths of a mile. A description of the highway being fully laid out on a map entitled "Map of F. Sumner Coe Estates", surveyed by H. D. Trojano, Surveyor. (By Request.)

11. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the purpose of building a public parking area at the rear of the Fire House.

12. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 23rd day of February, A. D. 1959.

Report of Librarian

Moultonboro Library is located at a vantage point in town next to the new fire house. Everyone is welcome to borrow books and residency is not required.

Last summer a large collection of non-fiction books was on loan from the State Library and many of our summer folks took advantage of them and became acquainted with the fine facilities of our own local library. The State Library has promised to loan another collection of books for next summer with fiction being added to the non-fiction.

Forest Fire Warden's Report

Dear Mr. & Mrs. & Family:

Once again our region is covered with snow and the forest fire hazard has disappeared, but to your local forest fire warden it is just a time to check over his equipment and check the causes of the fires he has had. We know that our biggest cause of forest fires are careless people burning rubbish, brush or debris without a permit or in an unsafe place. When this fire gets away from them and help is needed to put it out they then plead that they did not know a permit was required for the incinerator or this type burning. Well the old saying ignorance of the law is no excuse fits in here very well. The forest fire laws have been in the newspapers, on the radio and on television and are on some posters, and there should be no excuses for not knowing a permit is required for all outdoor burning. In this year's report we are going to quote the law of the state of New Hampshire in regards to permits, this is found in Chapter 233 - Section 35 revised laws, State of New Hampshire.

Permits

35b No person, firm or corporation shall kindle or cause to be kindled any fire or shall burn or cause to be burned any material, and no city or town shall kindle or maintain a fire or a public dump in or near woodlands, pasture, brush, sprout, waste, or cutover land or where fire may be communicated to such lands, except when the ground is covered with snow, without first obtaining a written permit from the forest fire warden of the town where the burning is to be done unless the same is in the presence of the warden or his agent.

Liability for fires without permit.

36 Any person causing or kindling a fire without permit of the forest fire warden when such permit is required and any person by whose negligence or the negligence of his agents any fire shall be caused, shall be liable in a civil action for the payment to the town or the state or both, of the expenses incurred by the forest fire warden or his deputy warden in attending or extinguishing such fire.

Penalties

38 Any person violating any provisions of section 35 shall be fined not more than two hundred dollars or imprisoned not more than sixty days.

School District Warrant

To the Inhabitants of the School District in the Town of Moultonboro, qualified to vote in District affairs:

You are hereby notified to meet at the Central School in said District on the 10th day of March, 1959, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose by ballot a Moderator, a Clerk, a Treasurer and two Auditors to serve one year, and two members of the School Board, one to serve a term of two years and one to serve a term of three years.

2. To determine and appoint the salaries of the School Board and Truant Officers, and fix the compensation of any other officers or agents of the District.

3. To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.

4. To see if the District will authorize the School Board to enter into a yearly contract with the Inter-Lakes School District in accordance with Chapter 194, Section 22, New Hampshire School Laws.

5. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the school board to certify to the selcetmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.
(The following article is by request of the Moultonborough Development Association).

6. To see if the District will vote to raise the sum of two thousand dollars ($2,000.) for the building of a playground at the rear of the Moultonboro Central School.

7. To see if the District will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

8. To choose Agents and Committees in relation to any subject embraced in this Warrant.

9. To transact any other business that may legally come before the meeting.

Given under our hands at said Moultonboro this 19th day of February, 1959.

Minutes of 1958 District Meeting

MOULTONBORO, NEW HAMPSHIRE

March 11, 1958

The School District Meeting was called to order by the Moderator, Clyde B. Foss, on Tuesday, March 11, 1958 at two o'clock in the afternoon at the Moultonboro Central School Auditorium.

1. The Moderator read the warrant and the voting by ballot for the election of School District Officers began.

2. On Article 2, "To determine and appoint the salaries of the School Board and Truant Officers and fix the compensation of any other officers or Agents of the District", a motion was made, seconded, and voted on in the affirmative to amend the motion so that the discussion of Article 2 would follow after the district had voted on Article 8 of the warrant.

3. It was voted that the reports of Agents, Auditors, Committees or officers chosen, be accepted as printed in the Town Report.

4. On Article 4 of the warrant which read: "To see if the District will vote to raise and appropriate a sum not to exceed forty thousand dollars ($40,000.00) for the construction of two additional classrooms to the present Moultonboro Central School, including cost of architect's fee, furnishings and equipment, and in order to provide such funds, to authorize the school board to borrow the amount voted and to issue serial notes or bonds, in the name and on the credit of the District, and to fix the time and place of payment, the rate of interest, terms, maturities, and provide for the sale thereof, all in accordance with New Hampshire Revised Statutes, Annotated Chapter 33 as amended", a motion to accept this article as printed in the warrant was made by Mr. Hollis Eaves. The motion was seconded and the voters proceeded to vote by ballot.

Number of votes cast	113
Yes	101
No	12

Declared a vote in the affirmative by the Moderator.

5. The following motion was made by Mr. Arthur Solomon: "I move the adoption of Article 5, and that the District raise and appropriate the sum of $23,000.00 for the construction of an addition to the auditorium-gymnasium

consisting of a stage and dressing room, including cost of architect's fee, furnishings and equipment and in order to provide such funds, to authorize the school board to borrow the amount voted and to issue serial notes or bonds, in the name and on the credit of the district, and to fix the time and place of payment, the rate of interest, terms, maturities, and provide for the sale thereof, all in accordance with New Hampshire Revised Statutes, Annotated Chapter 33 as amended. The motion was seconded and the voting by ballot began. When all had voted, and while the votes were being counted, the Moderator declared a recess in order that the Moderator of the Town Meeting might announce the Town Officers as elected. The Officers were then sworn in by the Moderator.

The School District Moderator called the meeting to order again and announced the following result on the voting on Article 5:

Number of votes cast	109
Yes	85
No	24

Declared a vote in the affirmative.

6. The following motion: "I move the District authorize the school board to enter into a yearly contract with the Inter-Lakes School District in accordance with Chapter 194, Section 22, New Hampshire School Laws" was made, seconded, and voted on in the affirmative.

7. On the following article: "To see what action the District wishes to take in regards to providing transportation for high school pupils of Moultonboro", Mrs. Virgina Haines made the motion "that we provide transportation as we are now doing." This was seconded by Mr. Horace Richardson. A spirited discussion followed. School Board Member, Harold Martin, spoke of the saving to the district if transportation were furnished to the Inter-Lakes High School only, and of the high cost per pupil for those attending Quimby School. Rev. Lewis Moulton spoke in favor of the transportation being furnished so that pupils might still have the privilege of their choice of schools as in the past. He also advised of the improvements to take place at Quimby School before another year. Mrs. Clara Perkins spoke in favor of the present system. Mr. Hollis Eaves spoke of the apparent high cost of transportation to the various schools. Mr. Arthur Solomon spoke in favor of furnishing transportation to Brewster Academy. Mr. Horace Richardson made the motion that the following amendment be made to Mrs. Haines' motion:" to also furnish transportation for pupils going to Brewster". The motion was seconded and the Moderator called for a vote on the amendment. This was

voted on in the affirmative. Then the article as amended was voted on. This vote was also in the affirmative.

8. Mrs. Marion White made the following motion: "I move the district raise and appropriate the sum of $89,005.19 for the support of schools, for the salaries of school district officials and agents, and for the statutory obligations of the district, and to authorize the application against said appropriation such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town." The motion was seconded and voted in the affirmative.

The Moderator then returned to Article 2. It was voted to accept the salaries of the School Board, Truant Officers, and fix the compensation of any other officers or agents of the district, as printed in the School Board's budget.

9. Voted on in the affirmative to authorize the school board to make application for and to accept, on behalf of the district any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

10. On the following motion made by Verne Richardson, and seconded: "To see if the school district will adopt as its school check-list the Town check-list, as provided in RSA 197:12a, as inserted by Laws of 1957, Chapter 57, this provision to be effective for the 1959 and subsequent annual district meetings", the vote was in the affirmative.

11. The following motion: "I move the district authorize the Moderator to appoint a Building Committee consisting of three persons, to advise with the school board and to supervise the construction of said addition or additions to the present Central School, providing that the plans and specifications shall be finally approved by the school board acting alone as required by law, to further authorize the school board to execute any or all contracts or agreements necessary in connection with the construction and equipping of said addition or additions", was made, seconded, and voted on in the affirmative.

12. The Moderator appointed the following Building Committee: Col. Ivan D. Yeaton
Edward F. Haines
Mary D. Wiggin

13. The Moderator declared a recess until 6:00 P. M. The Polls were closed at 6:00 P. M. and the votes counted with the following results:

Report of School Nurse

The usual tests were made to find any defects in vision and hearing. All defects were recorded, parents notified and early corrections made. Routine spring and fall heights and weights of the children were checked.

In September and October, 116 children had physical examinations by the school physician, Dr. Aleksander Ratsep. Recommendations were made to improve any defect found.

Free vitamin pills were given all children during the winter months. The funds for these vitamins were supplied by the Grange and the Red Cross.

Frequent inspections throughout the year were made of each child.

Communicable diseases reported to the school nurse were few but we seemed to have had a good variety.

Several children were transported by the nurse to the Orthopedic Clinic in Wolfeboro. This clinic pertains to the corrections of deformities and these children are checked periodically.

In September T.B. Patch tests were applied to 110 students. A Chest X-ray Clinic for this area was held at Quimby School in Sandwich on September 30, 1958.

On May 9, 1958 we had a Pre-school Registration Day with ten children attending. Mrs. Madeline Given, Dental Hygienist, from the State Department of Health was present to talk with the children about the care of their teeth. Each child was given a tooth brush to take home. The school nurse checked heights, weights, vision and recorded information necessary to start the Health Records. This day is a good opportunity for children and parents to acquaint themselves with the local school activities.

Respectfully submitted,

AMY L. BROWN, R. N.

Report of Superintendent of Schools

To the Members of the School Board
and Citizens of Moultonboro:

I hereby present my fourth annual report as Superintendent of Supervisory Union #2 which includes the Moultonboro Central School.

This past year has seen a great deal of focus both locally and nationally on our schools. The State Department of Education put into effect the "Minimum Standards," Dr. James B. Conant, president emeritus of Harvard, concluded his study of "The American High School Today," and Congress passed "The National Defense Education Act of 1958," which brings to our educational system new resources and encouragement at a time when they are critically needed.

The Minimum Standards, Conant Report and the Educational Defense Act have one thing in common and that is that every young person, from the day he first enters school, should have an opportunity to develop his gifts to the fullest. The Conant report brings out the fact that the most significant contribution the United States has made to the forward march of civilization has been the development of our pattern of public education, because this pattern reflects the ideals that have been characteristic of the Nation. The only way we can continue to do this is to help children think critically and clearly, distinguish between fact and opinion, statistical fallacy and basic truth.

Teaching Staff

Miss Judith Goss of Canaan, N. H., and a graduate of Keene Teachers College, joined the staff in September and a departmental arrangment for grades 6, 7 and 8 was put in operation. Miss Goss is teaching the language arts and social studies, and Mr. Person is teaching the classes in mathematics and science.

Building

The two additional classrooms, the stage and locker room area have certainly proved to be very satisfactory in meeting the former crowded situation. Physical education classes and the basketball games have been re-instated as a part of the over-all educational program.

Due to the severe cold weather, there is a constructional problem on the porch to be remedied when warm weather arrives.

Educational TV

There is no question but what commercial TV has been able to make a big impression on the lives of the present day boy and girl and now plans are underway so that by next fall channel 11, station WENH at the University of New Hampshire, will be in operation with educational programs in art, music, science and the social studies. The primary grades have been having the experience of taking part in the music program on channel 6 from Portland.

Television will never take the place of the teacher or classroom, but when wisely used there is no doubt but what the experiences of each boy and girl can be broadened by seeing programs that use materials that cannot be duplicated in the classroom.

Transportation

The transportation of pupils is a big problem in any school district, but I feel we are very fortunate in having the contract carriers we do in Moultonboro as each one is so understanding when it comes to dealing with youngsters.

Conclusion

This has been a very pleasant and enjoyable year as I feel we are continuing to move forward in enriching the experiences of our boys and girls. I wish to extend my sincere appreciation to the members of the School Board, staff and the citizens of the community for the excellent cooperation and assistance I have received.

Respectfully submitted,

MARTIN E. HEFFERNAN

Superintendent

SUPERVISORY UNION #2

Budget

The Supervisory Union Budget for the 1959-60 school year is apportioned among the five districts on the basis of the 1957-58 average daily membership and the 1956 equalized valuation as follows:

District	*Percentage*	*Supt's Salary*	*Travel, Sec. & Office exp.*
ASHLAND	19.56%	$1,173.60	$1,384.10
INTER-LAKES Meredith Center Harbor	41.91%	2,514.60	2,965.65
HOLDERNESS	12.47%	748.20	882.40
MOULTONBORO	16.11%	966.60	1,139.97
SANDWICH	9.95%	597.00	704.07
	100.00%	$6,000.00	$7,076.19

The Superintendent's salary this year is $8,000. The Supervisory Union's share is $5,500. and the balance of $2,500. is paid by the State.

Principal's Report

To open my second report as principal of the Moultonboro Central School, I wish to thank the people of Moultonboro for myself, the teachers and the children for all your contributions to the betterment of the physical aspects of our school. These added facilities have made an expanded and deeper program available to our children. We hope we can continue to improve the calibre of instruction and solicit your suggestions along those lines.

We are especially proud, as we know you are, of the exceptionally fine record our students are making in the various high schools they are attending. I'm sure it makes us all feel we are spending our money in a very profitable manner.

This year we have six teachers. Mrs. Whitehouse has grade 1, Mrs. Perkins has grade 2, Mrs. Rand has a combination grades 3 and 4, Mrs. Tilton has grade 5. Grades 6, 7 and 8 are under a departmental type program with Miss Goss teaching language, arts and social studies, while I teach mathematics and science.

Our registration on opening day was 122—with 17 in grade 1, 21 in grade 2, 12 in grade 3, 13 in grade 4, 19 in grade 5, 16 in grade 6, 9 in grade 7 and 15 in grade 8.

Our school is probably one of the best known in the state because of its location and attractiveness. I think as a goal we could look forward to making it still more attractive and even more useful to the people of Moultonboro and the state. We have a plot of land of approximately 15 acres, most of which is not used—or if used, is not adequately prepared for use. As a beginning project, a well-drained and well-planned athletic field would seem to be a must. That I presume will be accomplished in the near future. The other part of the project I have in mind would utilize the entire school-owned land. Growing on this land are a great number of trees, and if the brush were cleared up and the area managed properly, the school grounds would not only look more attractive, but could produce revenue to help defray the costs of operating the school. The land could also be used as a picnic spot and as a nature study area for science work. Our school grounds have tremendous possibilities if we can only utilize them. Let's all think about this and try to do something about it in the near future.

Respectfully submitted,

ROGER E. PERSON
